***CALL TO WORSHIP** Liturgist

Liturgist: For everything there is a season. There is a time for everything under the sun.

People: There is a time for flowers to bloom and a time when they wither and return to the good earth.

Liturgist: There is a time for action and a time for reflection.

People: There is a time to be passionate and strong and a time to be patient and content.

Liturgist: There is a time to protest and speak up; and there is a time to listen and understand.

People: There is a time to look back at the past and there is a time to move on and look ahead.

Liturgist: And then there are moments when we are betwixt and between, in the middle of what has been and what will be. And in it all, Christ is with us, for he said, "Lo, I am with you always."

People: God of eternal life, we give you thanks for being with us in the *right now* of our lives. Amen.

UNISON PRAYER Liturgist

Let us Pray: **Living God, in you we live and move and have our being. As the tides ebb and flow, you are the God of the waves. As the seasons come and go, your love is the one thing that is constant. As the sun rises and sets, you are the God of our days and nights. When we rise up and when we sleep, you are the God who watches over us tenderly. Though the world changes we shall not fear. Though others panic, we will trust in you and be calm. You give your peace to us, the peace that passes all understanding. In Jesus' name we pray. Amen.**
