**Like Moses on the mountain, we say that we want to see you Lord. But as you told him, "No one can see my face and live," and you instead allowed him to see where you had already passed by, so let us see where you have been in our lives. Let us recognize some of the moments when we were blessed by your very presence and power. God you see us, you know when we sit down and when we rise up. May we have a glimpse today of your great love for us. Come, Lord Jesus, come. In your name we pray. Amen.**
